

**Response to Invitation to Contribute to TSFP10 Special Issue of IJHFF**

To be returned to [andrew.pollard@queensu.ca](mailto:andrew.pollard@queensu.ca) on or before September 10th, 2017.

**Name/email address of corresponding author:**

**Title of Submitted Paper:**

TURBULENT BOUNDARY LAYERS  
AROUND WINGS UP TO  $Re_c = 10^6$

☒ I wish to accept

- ☐ I regret that I am unable to accept this invitation to include the above paper in the TSFP10 Special Issue of the International Journal of Heat and Fluid Flow.

---

**Following Statements Apply Only to Those Who Accept the Invitation**

---

☒ I recognize that final acceptance will be subject to the outcome of an independent external review of the paper.

☒ I affirm that no significant proportion of the paper has been published or submitted for publication elsewhere, other than for the TSFP10 Symposium.

☒ I agree to meet the timelines set out in the invitation letter accompanying this form, in particular to provide an edited version of the original conference paper no later than November 26th 2017.

☒ I accept that, while the IJHFF imposes no page charges on authors, if the *printed* version of the paper includes coloured figures a payment will be levied to partially cover the extra cost incurred by Elsevier. (The electronic version may include coloured material without charge.)

☒ I sign this form on behalf of myself and any co-authors of this paper (who have been made aware of the commitments made).

(Please tick each box to denote acceptance)
